

Turfgrid™

Available in VIC, TAS, QLD, NQLD, NSW, SA and NT

adbriMASONRY

an **ADBRI** company

Recommended For

Paths

Driveway
Safe*

Agricultural

Permeable

*When laid onto a suitably prepared base.

This land stabilisation paver is a simple solution to control soil erosion around your home. Strong and versatile, Turfgrid™ can also be used for agricultural applications including cattle troughs and is effective for driveways and garden paths where grass is often left muddy after rain.

COLOUR OPTIONS

Charcoal

Whilst these swatches provide a good indication of the products colour, you should always sight product samples before use.

Due to natural variations in aggregates, colours may vary.

AVAILABLE SIZES

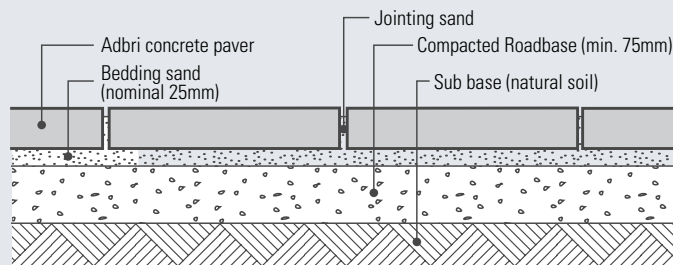

Turfgrid™
7.56 units per m²
